MOSS & MAJESTY
THE LAKELAND RENAISSANCE FESTIVAL | APRIL 10–11, 2027

Dear Local Business Owner,

The Lanier County Band Program invites your business to become a founding sponsor of Moss & Majesty: The Lakeland Renaissance Festival, taking place April 10–11, 2027, in Lakeland, Georgia.

This family-friendly event will feature medieval jousting, Celtic music, falconry, magic, and interactive activities for visitors of all ages. We anticipate approximately 2,000–3,000 attendees during the two-day festival. As a fundraiser for the Lanier County Band Program, the festival will help support music education and opportunities for our students.

We are seeking local businesses willing to contribute at one of four sponsorship levels:

• Noble Lord — $1,000 or more
• Royal Knight — $500
• Village Merchant — $250
• Friend of the Kingdom — $100

Each sponsorship includes festival recognition, with additional promotional benefits and complimentary admission tickets available at higher levels. Please see the accompanying sponsorship flyer for package details. We can also discuss opportunities to sponsor individual festival attractions.

Your support will help us create a memorable community event while directly benefiting local band students. We respectfully request sponsorship commitments by February 1, 2027, for inclusion in printed festival materials.

Thank you for considering this opportunity and for supporting music education in Lanier County. To learn more, visit www.lakelandrenfaire.com. We would appreciate the opportunity to discuss a sponsorship that fits your business.

Sincerely,

Carmen Zeigler
